

Water & Bog Plants 2020									
Blue- New 2020									
Common Name	Latin Name	Zone	Ht.	Dpth.	Spr.	NS Native	Description		Red - Three or less in stock Blue - New stock 2020-Supplier Price/(Stock)
Lion King Japanese Iris	Iris ensata 'Lion King'	5	36-48"		24"		Marginal. Perennial. Large 7-8" ruffled white flowers with bright grape-purple edges, small yellow signals. Moist soil. Attracts butterflies. Full sun. Blooms in July.		12.95 (25 W)
Black Gamecock Louisiana Iris	Iris louisiana 'Black Gamecock'	5	24 - 36"				Marginal. Perennial. Huge velvety deep purple petals, will multiply rapidly when in ideal conditions. Moist to boggy conditions. Blooms in July.		12.95 (11) (25 W)
Yellow Flag Iris	Iris pseudacorus	3	36"			Yes	Marginal. Perennial. NS Native (introduced) species. Yellow flowers. Long sword-shaped leaves. Spreads by rhizomes. Blooms June to July. Full sun to partial shade. FRG		12.95 (3)
Berlin Tiger Yellow Flag Iris	Iris pseudacorus 'Berlin Tiger'	4	36-48"				Marginal. Perennial. Yellow flowers with brown veins. Blooms June to July. Full sun to partial shade.		10.95 (4)
Crème de la Crème Yellow Flag Iris	Iris pseudacorus 'Crème de la Crème'	4	24-36"				Marginal. Perennial. Cream-white flowers with purple veins at base of petals. Blooms June to July. Full sun to partial shade.		10.95 (2)
Variegated Yellow Flag Iris	Iris pseudacorus 'Variegata'	5	36-60"				Marginal. Perennial. Bright, linear, yellow and green variegated leaves. Yellow blooms with brown markings on falls. Blooms June to July. Full sun to partial shade. FRG		12.95 (21)
Gerald Darby Hybrid Blue Flag Iris	Iris x robusta 'Gerald Darby'	4	24-36"				Marginal. Perennial. Hybrid of (I. versicolor (Blue Flag) x I. virginica (Southern Blue Flag). Long, narrow, arching to erect, sword-shaped green leaves with a flush of purple at base in spring. Dark stems rise up, are topped with violet-blue flowers. Each stem produces 4 to 5 flowers. Clump spreads slowly by tough, creeping rhizomes. Full sun. Moist to wet soil. Sun to partial shade. Blooms June to July. Attracts bees, butterflies and hummingbirds.		10.95 (8)
Golden Zebra Hybrid Blue Flag Iris	Iris 'Golden Zebra'	4	12"				Marginal. Perennial. Hybrid of (I. versicolor x I. virginica) Medium-green foliage emerges dark purple in spring. Orchid-like flowers have right yellow signals, with fantastic, contrasting, white and almost-black, striped zebra-like falls. Full sun to partial shade. Moist to wet soil. Full sun to partial shade. Attracts bees, butterflies and hummingbirds.		12.95 (3)
Blue Flag Iris	Iris versicolor	3	31"			Yes	Marginal. Perennial. NS Native species. Blue-flowering, upright clumps of green foliage. Wet soil. Blooms May to June. Full sun to partial shade.		10.95 (58)
Blue Rush	Juncus								
Blue Rush	Juncus inflexus	5	12-36"		12-36"		Marginal. Perennial. Stiff, upright, cylindrical, blue-green leaves. Slow to establish but once is, spreads slowly by creeping rhizomes. Prefers moist to wet soil. Full sun to partial shade.		10.95 (6)

Blue- New 2020								
Common Name	Latin Name	Zone	Ht.	Dpth.	Spr.	NS Native	Description	Price/(Stock)
Blue Arrows Rush	Juncus inflexus 'Blue Arrows'	5	36"				Marginal = plant that lives at the water's edge. Oxygenator = plant that helps reduce algae, adds oxygen, gives shelter to fish FRG = Fragrant	Red - Three or less in stock Blue - New stock 2020-Supplier Price/(Stock)
							Marginal. Perennial. Stiff, upright form, bright, blue-green colour. Prefers moist soil but is quite drought tolerant once established. Good near waterside or pond. Full sun to partial shade.	12.95 (13)
Blue Dart Rush	Juncus inflexus 'Blue Dart'	3	12-18"		12"		Marginal. Perennial. Stiff, upright form, blue to blue-green colour. Prefers moist to wet soil but is quite drought tolerant once established. Good near waterside or pond. Also nice in annual container displays. Full sun to partial shade.	6.95 (48)
Twisted Arrows Blue Rush	Juncus inflexus 'Twisted Arrows'	6	24-36"		12-24"		Marginal. Perennial. A blue-green (fusible) blend of stiff, and curly Juncus, really makes a statement. Prefers moist to wet soil, but is quite drought tolerant once established. Good near waterside or pond. Also good in containers.	4.95 (50) 7.95 (5)
Variegated Lizard's Tail	Saururus cernuus 'Variegatus'	4	12-24"	6"			Marginal. Perennial. Rhizomatous plant, will form colonies. Variegated green and white, heart-shaped leaves, zig-zag stems, tiny, fragrant white flowers packed into slender, tapered, spike-like racemes that droop at the tip. Nodding flower/fruit resemble lizard's tails. Citrus fragrance. FRG.	11.95 (1)
Chadd's Ford Fragrant Lady's Tresses	Spiranthes cernua var. odorata 'Chadd's Ford'	5	12"		12"	Yes	Marginal. Perennial. NS Native cultivar. Easy to grow, native orchids form silvery-green, ground-hugging rosettes, slowly form colonies in moist soils, bogs or swamps. This cultivar produces extra-large, fragrant white flowers that spiral upward, late summer to fall. Best in partial shade. Plants spread slowly by rhizomes. Attractive to bees & butterflies. FRG	12.95 (6)
Narrow-leaved Cattail	Typha angustifolia	3	48-72"	3m+		Yes	Marginal. Perennial. NS Native species. Flat, grey-green, sword-like leaves arise from base, turning bright yellow in the fall. Spreads by creeping rhizomes to form colonies at edges of ponds. Velvet-brown, cylindrical flowers are often used for fresh or dried flower arrangements, attractive to birds. Blooms June to July.	12.95 (35)
